

My name is Richard Andrew King, Founder and Grandmaster of the Karate Institute of America in Orange County and the Kiado-Ryu system of martial arts [founded in 1979]. I'm inviting you to join our SET Security Training Meetup. SET stands for Security Enforcement Training which focuses on special non-firearm martial arts skills security guards can use for both client service as well as their own safety and protection.

Our Meetup page is <http://www.meetup.com/securitytraining/>. There you will see our S.E.T Level One Certification Program which is a twelve hour course divided into three sections:

1. Compliance/come-a-long techniques and self-defense counters
2. Weapon disarm techniques for gun, knife and stick/club
3. Basic defense protection skills including blocks, parries, checks and other self-defense basics.

Phase one convenes every Saturday in January on the 8th, 15th, 22nd and 29th. Upon successful completion of all twelve classes, the student will be awarded a Certificate of Completion. The cost is \$297. Open to the public. Must be 18 or over.

Separate Classes. An individual may register separately for any of the three classes and pay the monthly fee of \$99 for each class. Upon completion he will receive a Class Certification for that class only.
